

## **HELP WANTED - SHOP MECHANIC**

**CALL 814-349-8089**

### **THE POSITION**

We are searching for people with an attitude and temperament to fit our culture and join our team. Our work environment is fast paced, ever changing and at times physically demanding. We are seeking an experienced and highly motivated Shop Mechanic to grow with our company.

### **JOB OVERVIEW**

The Shop Mechanic provides routine and emergency maintenance for our fleet of company trucks, tractor-trailers, and forestry equipment.

### **Duties and Responsibilities:**

- Conduct regular preventive maintenance to company work trucks
- Cleaning, lubricating, and conducting routine services on heavy duty vehicles and logging equipment
- General maintenance and repairs of tractor trailers, pickups, and heavy trucks
- Repair of diesel engine systems, welding, and hydraulic systems
- Performing major repair work when necessary
- Performing field work as needed
- Perform other duties as assigned

### **Minimum Qualifications:**

- 1-3 years' mechanical experience with heavy equipment (forestry equipment a plus)
- Demonstrated ability on maintaining a safe work environment
- Must be a US citizen
- Valid driver's license
- Valid CDL License

### **Required Skills and Abilities:**

- Ability to understand and follow oral instructions; communicate with supervisors, and co-workers
- Ability to repair and maintain Ford F-150, F-250, F-350 along with diesel systems
- Able to comply with all company policies and procedures
- Ability to travel and work overtime when required
- Must have strong work ethic
- Must have good visual and auditory physical capabilities to manage sights and sounds in a hazardous work environment
- Able to be alert and cognitive of multiple concurrent activities of the job site, including awareness of other employees, subcontractors, machinery, equipment, and moving traffic when applicable
- Ability to work around loud noises
- Must be able to mount and dismount safely off vehicles and equipment

- Must be able to wear appropriate personal protective equipment
- Must be able to walk on uneven terrain
- Able to lift 100 pounds
- Ability to perform work outside in all types of various weather (i.e. heat, cold, wind, sun and inclement weather, etc.) on a regular basis

### **Additional Information**

- Must have own set of tools
- Flexible hours TBD
